PRESIDENT

Charles E. Tooth

The Tournament is our only annual spectacular during a year-round drive to raise funds for introducing the sightless to outdoor exercise, especially to golf. Proceeds are ear-marked for sporting equipment in such places as State Schools for the Blind, Universities and Rehabilitation Centers.

We have a weekly clinic at the Overbrook School for the Blind in Philadelphia and additional plans for the future.

## THE MABGA RING

When a preferred lie is needed, the MABGA\* Ring is utilized to improve lie within a restricted area of a six inch diameter with no advantage given to stance position.

\* Middle Atlantic Blind Golfers Association

The Mabga Ring was initiated at Edgmont Golf Club during the last Fifth MABGA Open in 1966 (won by Bill Collins).

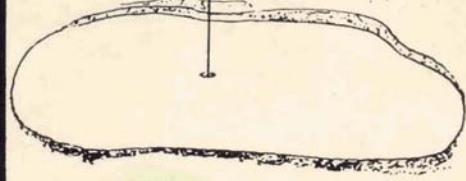

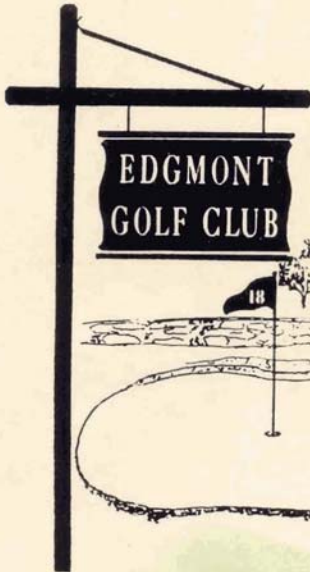

This ring was also used by 107 P.G.A. Golf Professionals and highly accepted.
