### Management Corner:

Making resolutions is how many of us start the new year. Here are a few suggestions for resolutions for 2006:

**1) Play more golf** - Get the most out of your membership by being an active member and playing in more club tournaments. The handicap system allows you to be competitive no matter what your current skill level.

**2) Improve your golf game** - Golf lessons, clinics, practice and competitive play all will help you improve your game.

**3) Meet new people** - Golf is a great way to meet new people. The online directory and the Pro Shop are great resources to help you meet other members, form or join a regular group, and get involved in the organized events.

**4) Teach your family to play** - Our new pricing structure makes ECC a cost effective family activity, even if you do not have a family membership. Make golf a family event!

The renovation work done in 2004 & 2005 will vastly improve your Edgmont experience in 2006 and beyond.

Please take advantage of the special coupons offered with the 2006 renewal drive. The coupons will be sent out with your 2006 members card. Remember to use the coupons early because they do expire.

We wish you and your family a happy and healthy 2006.

Pam Mariani
